Product Description

Hot Sale Modern Light Luxury Fireproof Marble Interior Decorative Wall Panel

Fireproof marble interior decorative wall panel is made of PVC/PET marble pattern and bamboo wood fiber. It is fireproof, waterproof, moisture resistant, environmentally friendly and odorless. These wall panels are made of fireproof material, which meets the fire safety standards and can provide protection in case of fire and improve indoor safety. Marble patterns are widely used in these wall panels to create a sophisticated and upscale, modern and luxurious look. These wall panels mimic the natural veins and color variations of real marble, adding a sense of luxury. These wall panels are also known for their durability, easy maintenance, resistance to scratches, stains, and fading, and can be used in kitchens, bathrooms, bedrooms, hotels, offices, and more, simply by choosing a design that suits your personal style and overall theme.
