Product Description

Factory Interior Decoration WPC Composite PVC Wall Panel WPC Indoor Wall Panel

WPC composite PVC wall panels combine elegance, durability and practicality. Elevate living spaces with a seamless blend of style and function, turning walls into works of art. The wall panels are made of wood plastic composite (WPC) - a high-quality mixture of wood fibers and recycled plastic. This innovative material has the aesthetics of natural wood with enhanced strength and resilience. The PVC finish on the wall panels not only adds a touch of sophistication, but also provides protection against scuffs, scratches and moisture. Enjoy a finish that retains its pristine beauty over time with minimal maintenance. Whether pursuing modern minimalism or classic elegance, WPC wall panels offer versatile design options to match any interior style. Engineered to withstand the rigors of everyday life, WPC siding is built to last. The WPC composite ensures protection against corrosion, insects and warping for a long-lasting investment. Easy Installation and Maintenance Enjoy a hassle-free installation. The wall panels come with a simple installation system that saves time and effort. Plus, its easy-to-clean surface makes maintenance a breeze.

Specification

Item	Value
Material	WPC Wall Panel
Size	1220*2440/2600/2800/3000*5/8mm
Length	Customer's Demand
