Product Description

Hot Sale Waterproof And Moisture-Proof 5/8mm Fabric Bamboo Charcoal Fiberboard

Waterproof and fireproof bamboo charcoal fiberboard, with cloth weave pattern, combining practicality and sophistication. And enhanced by simulated fabric patterns, it provides waterproof and fireproof performance, creating a safe and elegant interior solution. The detailed fabric texture creates an attractive visual effect and enhances the beauty of the interior decoration. Bamboo charcoal fiberboard is designed for practicality, waterproof and moisture-proof. It is effectively waterproof to ensure longevity and resist damage from moisture. Fibreboard is designed for safety and is fire and heat resistant. The material's inherent properties provide reliable protection against fire hazards, providing peace of mind and safety to interior spaces. The board is made of high-quality bamboo charcoal fiber, which is durable and elastic. It is able to withstand daily wear and tear and is suitable for a variety of indoor applications.
