## Product Description

### Factory Customized Fireproof PVC Co-Extruded Small Round Board Wall Panels

Fire-resistant PVC co-extruded small round panel wall panels, craftsmanship meets fire safety, adding a touch of sophistication and uniqueness to walls. The small circular pattern creates an attractive visual effect and enhances the beauty of the interior decoration. Upholstery can create the desired size, shape and pattern, ensuring wall panels fit seamlessly into your design vision. PVC co-extruded small round panel wall panels are fire and heat resistant. The material's inherent fire resistance ensures interior spaces are protected for peace of mind. The wall panels are made of high-quality PVC material, which is durable. The PVC material withstands daily wear and tear, making it ideal for high traffic areas and busy environments. Their versatile design can be used in a variety of applications, from wall coverings to decorative accents, adding a touch of elegance and functionality.
