Product Description

New Products Interior Decorative Metal Wall Panels Mosaic Bamboo Charcoal Wood Veneer Panels

Bamboo charcoal wall panel is a modern and stylish interior wall decoration design made of bamboo fiber, which is a hot eco-friendly material. It is designed for interior wall decoration in offices, interiors, schools and hotels. With a unique skin texture and matte finish, our wall panels have a luxurious look that is sure to enhance the beauty of any room. Made from 5/8 mm thick bamboo charcoal material, these wall panels are waterproof, moisture resistant and fireproof, making them ideal for any interior space. These wall panels are easy to install as they can be glued to the wall with structural adhesive. These wall panels can be customized in a variety of colors to meet any design requirement. Our bamboo charcoal wall panels are waterproof and fireproof, providing lasting quality and design to any interior space.

In addition, it contains unique wood fibers cured with polymers for good physical and mechanical properties such as compression and impact resistance and good reprocessability. It is oil-resistant, dirt-resistant, easy to clean, with a service life of more than 30 years, and does not contain harmful substances such as formaldehyde, ammonia and benzene. In line with national environmental standards and European standards, non-toxic, tasteless and pollution-free. It is a real green environmental protection product.
