## Packing and Shipping:

### Package and Shipping for Bamboo Charcoal Wood Veneer

Our Bamboo Charcoal Wood Veneer is carefully packaged to ensure safe delivery to our customers. Each package contains 10 sheets of veneer, with each sheet measuring 8.5 inches by 11 inches.

#### Packaging

The veneer sheets are first placed in a protective plastic sleeve to prevent any scratches or damage during transportation. The sleeve is then sealed and placed in a sturdy cardboard box.

To further protect the veneer from any potential damage, the box is filled with cushioning materials such as foam or bubble wrap. This helps to absorb any impact during shipping and ensures the veneer arrives in perfect condition.

#### Shipping

We offer both domestic and international shipping options for our customers. All orders are shipped within 1-3 business days, unless otherwise stated. We use reputable shipping carriers such as UPS, FedEx, and DHL to ensure timely and reliable delivery.

For domestic shipments, customers can expect to receive their order within 3-5 business days after it has been shipped. International shipments may take longer depending on the destination country's customs and postal service. Customers will be provided with a tracking number to track their order's progress.

In order to reduce our carbon footprint, we use Eco-Friendly packaging materials whenever possible. This includes recyclable and biodegradable materials.

Thank you for choosing our Bamboo Charcoal Wood Veneer. We hope you enjoy using it in your projects. If you have any questions or concerns, please do not hesitate to contact us.
