#### Product Overview

Bamboo Charcoal Wall Board is a hot sale and eco-friendly product that is perfect for modern and luxury decoration. Made from natural bamboo fiber, this wall panel is not only aesthetically pleasing, but also offers a variety of functional benefits. This wall board comes with a thickness of 5/8mm, making it lightweight and easy to install. It is available in various lengths such as 2.44/ 2.6/ 2.8/ 3/ 3.2/ 3.4/ 3.6 M or can be customized according to your needs. With its stylish design and versatility, it is suitable for both residential and commercial spaces.

#### Key Features

**Natural:** The bamboo used in the production of this wall board is 100% natural, making it a sustainable and environmentally friendly option for your interior design needs.

**Moisture-proof:** Bamboo is naturally resistant to moisture, making it an ideal material for areas with high humidity or moisture levels.

**Sound-absorbing:** The porous structure of bamboo helps to absorb sound, making it a great choice for creating a quiet and peaceful environment.

**Fireproof:** Our bamboo charcoal wall board has a fire rating of Level B, ensuring the safety of your space.

**Luxury/Modern Light Luxury/Vintage Decoration:** With its elegant and versatile design, this wall board can add a touch of luxury, modern light luxury, or vintage decoration to any space.

The Bamboo Charcoal Wall Board is a revolutionary product that combines natural and eco-friendly materials with modern design and functionality. Made from bamboo charcoal wood veneer, bamboo charcoal fiber, bamboo fiber, bamboo wood, PVC, PET, and WPC (Wood Plastic Composite Panel), this wall board is not only aesthetically pleasing but also highly durable and sustainable. The unique skin texture of the bamboo charcoal wood veneer adds a touch of luxury and elegance to any space. The natural variations in color and texture of the bamboo fibers make each wall board one-of-a-kind, adding a sense of warmth and character to the room. One of the key features of the Bamboo Charcoal Wall Board is its eco-friendly nature. Bamboo is a fast-growing and renewable resource, making it a more sustainable choice compared to traditional wood materials. The production process of the wall board also utilizes eco-friendly methods, making it a perfect choice for environmentally conscious consumers.

The wall board is designed for DIY installation, making it easy and convenient for homeowners to add a touch of luxury to their living space. The interlocking system allows for quick and easy installation without the need for any specialized tools or skills. Not only does the Bamboo Charcoal Wall Board enhance the aesthetic appeal of a room, but it also has many practical benefits. The bamboo fibers used in the wall board have natural sound-absorbing properties, making it an excellent choice for soundproofing a room. It is also moisture-proof, making it suitable for use in areas such as bathrooms and kitchens. The wall board is also fire-resistant, providing an added layer of safety and protection.

The Bamboo Charcoal Wall Board is highly durable and long-lasting, making it a cost-effective choice for both residential and commercial spaces. It is also low maintenance, requiring only occasional cleaning to keep it looking like new. With its versatile style and range of colors, the Bamboo Charcoal Wall Board is suitable for various applications. It can be used in office buildings, adding a touch of sophistication to conference rooms and reception areas. It is also perfect for living rooms, dining rooms, and bedrooms, adding a modern and luxurious touch to any home. Schools and supermarkets can also benefit from the practical and aesthetic features of this wall board.

Overall, the Bamboo Charcoal Wall Board is a versatile and eco-friendly product that combines style, functionality, and sustainability. Its unique design, easy installation, and practical benefits make it a top choice for interior decoration. Choose zhuokang's Bamboo Charcoal Wall Board for a luxurious and sustainable touch to any space.
