① Return and exchange rules

All products are customized and do not support 7-day no reason returns or exchanges. Orders without quality issues will not be accepted for returns or exchanges. Please be informed!

② About color difference

All products in the store are photographed in person. Due to factors such as shooting techniques, lighting, and production batches, slight color differences between the received item and the image are normal

③ Free sample collection

This store is a factory operated store and is shipped from the original manufacturer. Provide free sample shipping service, you can consult. After customer service, collect samples under guidance.

④ About customization

Minimum order of 30 square meters (no minimum order requirement for spot colors)
We offer two types of seams: straight seam and V-seam (please contact customer service to view the difference diagram), and support length customization.
